Mockups

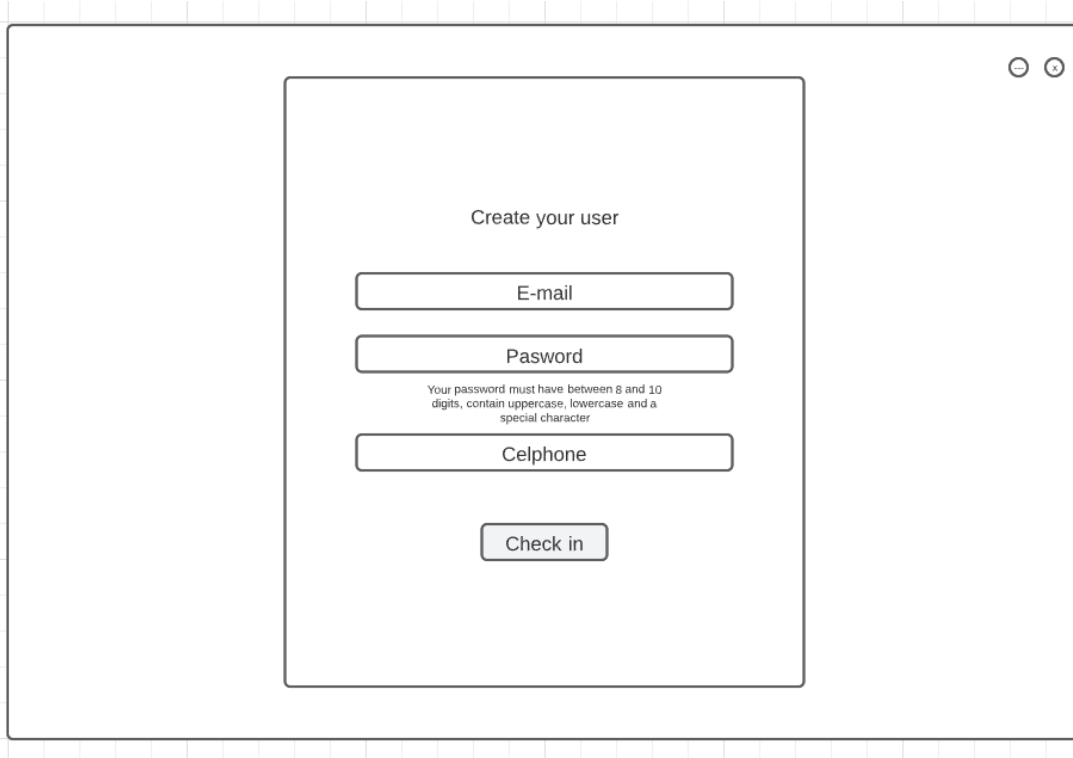

1. Interfaz Logeo

The mockup shows a login interface within a window. The window has a title bar with standard OS controls (minimize, maximize, close) in the top right corner. The login form is centered and contains the following elements:

- The text "Log in" centered at the top of the form.
- A text input field containing the placeholder text "user".
- A text input field containing the placeholder text "Pasword".
- The text "Did you forget your password?" centered below the password field.
- A button labeled "Enter" centered below the text.
- The text "You have not yet registered" centered at the bottom of the form.

2. Interfaz creacion de usuario

A wireframe of a 'Create your user' form. The form is centered within a window frame that includes standard OS window controls (minimize, maximize, close) in the top right corner. The form itself has a title 'Create your user' at the top. Below the title are three input fields: 'E-mail', 'Pasword' (misspelled), and 'Celphone' (misspelled). Between the 'Pasword' and 'Celphone' fields is a small text note: 'Your password must have between 8 and 10 digits, contain uppercase, lowercase and a special character'. At the bottom of the form is a 'Check in' button.

Your password must have between 8 and 10 digits, contain uppercase, lowercase and a special character

Celphone

Check in

3. Interfaz ingreso de datos

A wireframe of a user profile data entry form. The form is centered within a window frame with OS window controls in the top right. On the left side of the form is a large circular placeholder for a profile picture, with the text 'Choose a photo' below it. To the right of the photo placeholder is a vertical stack of seven input fields: 'What is your name?', 'Birthdate' (with a dropdown arrow), 'Gender' (with a dropdown arrow), 'Interests', 'Proceso', 'Professions', and 'Work area'. At the bottom of the form is a 'Save Changes' button.
